Personal Statement

I am a highly creative individual with a strong attention to detail. I have developed a diverse skillset from my employment, voluntary work and my bachelor's degree in photography. My expertise in photography includes all Adobe editing software, working directly with a range of different clients, experience in studio work, as well as a proactive knowledge in videography and content creation. I have excellent communication and time management skills as well as a strong initiative at problem solving. I am confident working independently and effectively in a team environment.

Skillset & Hobbies

Photography

- Expertise in Adobe editing software (Lightroom, Photoshop, Premier Pro, InDesign, Illustrator)
- Currently in training for certification in Space Planning Levels 1 & 2.
- Videography and content creation - producing video work and content for YouTube and social media.
- Managing my own website portfolio.
- Working with a variety of clients, undertaking commissions and producing publications.
- Experience in studio work, curating local and London based exhibitions.
- Current specialism in automotive photography as well as personal fine art projects and wedding photography.

I am a passionate motorsport enthusiast since childhood, with a love for Formula One. My passion for cars has also developed a strong knowledge and skillset in car maintenance, servicing and repair work. I also enjoy go karting, having competed in two hire kart championship seasons at South Coast Karting, as well as being an avid sim racer with a passion for all motorsport genres.

I also enjoy playing Golf, and having been able to work at a top 100 golf club in England has been incredibly rewarding in my appreciation for the sport.

Employment History

JDH Solutions – Photographer & Product Data Administrator

Winnersh 21/10/2024 – current

- Responsible for the photography of all retail products that we source for our clients, which are shoot professionally in a studio environment. I have a creative expertise in this role with optimising images through extensive use of photoshop as well as support for 3D planogram creation. This role has given me the responsibility to oversee all product imagery within the business to ensure it meets the highest standards for our customers.
- Responsible for ensuring storage and archiving is up to date. Currently in training for certification in Space Planning Levels 1 & 2, whilst having a strong proficiency in Adobe software, MS Office applications and Dropbox.
- Shopping instore and online for products, processing product data into databases, creating bespoke planograms from our data and photography for our clients.

Tesco – Customer Delivery Driver

Poole 31/8/2023 - 18/2/2024. Camberley- 24/02/2024 - 16/10/2024

- Working independently delivering customers shopping, planning my route and using time management to ensure all customers get their shopping on time. Completing vehicle checks and delivering great customer service. Organising shopping into different lanes for each van, working as a team to load drivers vans in the correct order.

Broadstone Golf Club - Trainee Greenkeeper

13/03/2023 – 02/08/2023

- Working independently and as part of a team in maintaining and preparing the golf course and clubhouse grounds to the highest of standards for members and visitors. Liaising with staff in preparation for club and county competitions, and hosting the England Golf Amateur Championships.
- Undertaking a variety of grounds maintenance including; mowing fairways and rough, hand cutting tees, seeding and top dressing, laying new turf, renovating tee boxes and pathway surfaces, hole changing, hedge cutting and strimming, applying irrigation, machine maintenance, course set up, repairing divots, renovating and maintaining bunkers and other hazards such as water features.

Sainsbury's - Delivery Driver & General Assistant

Witney 05/05/2019 – 18/12/2020. Poole 15/01/2021 – 9/03/2023

- Working independently delivering customers shopping whilst providing great customer service, planning my route and using time management to ensure all customers get their shopping on time. As a mentor and driver trainer I'm responsible for training new delivery drivers in all aspects of the job role, including how to use the handset systems, processing orders through the tills, completing vehicle checks, road safety and delivering great customer service.

Work Experience

Quarr Gallery - Gallery Assistant

06/07/2015 to 17/07/2015

Assisting the gallery owners with curating artwork exhibition displays, prints, and ceramics, and liaising with the local artists and photographers with their current works in the gallery. Serving customers, recording transactions, updating stock and making sale recommendations.

Voluntary Work

Uganda Missionary Team – Flame International

August 2017 – September 2017

Volunteer on an overseas mission trip to Moyo, Northern Uganda, as part of an eleven member team, in which we brought God's word to teach and minister to the South Sudanese refugees, working in two refugee camps over two weeks. This had lots of different responsibilities, including teaching through giving sermons and devotions, praying for people, performing dramas, organising sports and craft activities. This was an incredible challenging yet rewarding experience to see the lives of these refugees transformed.

Youth Team Leader – Beacon Church

June 2015 - May 2019

Volunteer work at my local church as a youth team leader for one of the youth groups for children ages seven to ten. This has lots of different responsibilities, including keeping registration records, payments, health and safety forms, creating session schedules and planning activities, assigning team members to different roles. It is very rewarding to help my local church and provide a fun and safe environment for children to learn and have fun.
